CAREER OBJECTIVE

Motivated and detail-oriented Computer Science student with hands-on experience in Python programming, web development and software engineering simulations. Seeking apprenticeship and internship opportunities to apply technical skills, learn from real-world projects and contribute to innovative solutions.

EDUCATION

Diploma in Computer Science Engineering (CSE)

Godavari Institute of Engineering & Technology, Rajahmundry

2022 – 2026 (Completed) | CGPA: 6.9 / 10

Diploma in Computer Science Engineering completed (2026).
Preparing for B.Tech admission through ECET.

EXPERIENCE

Full Stack Developer Intern

May 2025

Anurag IT Solutions, Rajahmundry

- Worked on web application development using HTML, CSS, JavaScript and Python.
- Assisted in debugging, testing and maintaining web applications.
- Collaborated with team members to develop, test and deploy features.
- Gained hands-on experience in both front-end and back-end development.

CERTIFICATIONS

	Walmart Global Tech Advanced Software Engineering Job Simulation	May 6, 2026
	Deloitte Data Analytics Job Simulation	May 4, 2026
	JPMorgan Chase & Co. Software Engineering Job Simulation	May 5, 2026
	Anurag IT Solutions Internship Certificate – Full Stack Developer	May 7, 2025
	Industrial Training Certificate of Industrial Training Completion	May 7, 2025

PROJECTS

- Student Portfolio Website**
Built a responsive personal portfolio website using HTML, CSS and JavaScript to showcase skills and projects.
- Python Calculator Application**
Developed a calculator using Python with basic arithmetic operations and error handling for practice and learning.
- Web Development Practice Projects**
Created multiple mini projects using HTML, CSS and JavaScript to strengthen front-end development skills.

ACHIEVEMENTS & INTERESTS

- Strong problem-solving skills
- Quick learner and adaptable
- Passionate about technology
- Interested in software development, AI tools and real-world problem solving
